TO YOUR HEALTH

It ain't gotta be fried!
We grill or blacken fresh fish, chicken and beef all day, every day. Our wings are AWESOME! We don't fry 'em. We smoke 'em, then grill 'em.
When we do fry, we only use commercial cooking oil that is low in **TFA's** (trans-fatty acids) as well as a good source of **Omega 3**, all vital areas linked to **heart health** by the American Heart Association.

It must be in the h2o!
Your heart will love the **Omega 3** found in the delicious fish we serve.

Attention Carb Police!
Our menu provides you with the option to design a wonderful meal that is low in carbs.

Our **signature mayo**, sauces, and dressings can be served on the side so you're in control of how much goes on.
+ We offer a choice of fat-free salad dressings.

Get your Vitamin C!
We feature fresh citrus juices and make our own bar cocktail mix.

Did you know?
Our **menu** is full of **antioxidants**: tomatoes, carrots, black beans, ginger, parsley, garlic, lettuces, red + green bell peppers, onions & sweet corn.
Our **beverage menu** is full of **antioxidants** too! Oranges, strawberries, cherries, raspberries, grapefruit, lemons, limes, pineapple & red grapes.

Support Alabama Farmers!
We use **local produce** whenever possible.
